**Welcome** - This section of Theatre Appreciation is intended to exist entirely online -- there is no live component. However, scheduling "class times" for yourself during the week is a good way to avoid doing work at the last minute. Unless I post an announcement, what you see below is the last word on deadlines. **All posts, quizzes, and critiques are due no later than 11:55pm on the due date.** After this time, the slot for those assignments will be closed. Do not pay attention to any other settings you might see on other screens.

After you have read the Syllabus and the FAQ, scroll down this page and click on the link for "WEEK 1" to see the first week's assignments.

On most web browsers, "Control-+" will make the text larger if you have trouble reading it. You can always hit the "Back" button on your browser to return to this page.
