## GETTING STARTED WITH AI IN TEACHING AND LEARNING WORKSHOP SERIES

The “Getting Started with AI in Teaching and Learning” is a four-part series that takes a deep dive into the use of generative Artificial Intelligence (AI) in teaching and learning. With the University of Florida leading the way as an AI University, now is the time to consider the impact on our own professional practice. Together we will explore:

Session 1: AI Tools, Resources, and Ethical Considerations

Session 2: Writing, Research and Critical Evaluation of AI Generated Content

Session 3: AI For Creating Visual Images And Presentations

Session 4: Improving Assessments with AI
